PUBLICATION GUIDELINES

It is permitted to publish your Assessment Report outside of the Data Portal, however you must take every care not to represent scores out of context, and include access to or references to: the PRI assessment methodology; your full Assessment Report (if only a section is published); and your Transparency Report.

YEAR ON YEAR PERFORMANCE

INDICATOR SCORECARD

Your indicator scorecard summarises the scores you achieved for each assessed indicator within each module.

These will range from zero stars to three stars. It also provides basic information about the performance of your organisation compared with other signatories that responded to that indicator. The number of stars determines your overall module score. Please refer to the [assessment methodology](#) summary for additional information about how these scores are calculated.

PEER COMPARISON

Your total aggregated performance band for each module will be compared against your peer groups in a series of distribution charts.
