Key information

Why is M&G closing the M&G ESG Screened Global Corporate Bond Fund?

The M&G ESG Screened Global Corporate Bond Fund (the “Fund”) was launched in May 2022 with the aim of delivering a higher total return (the combination of capital growth and income) than the Bloomberg MSCI Global Corporate ESG BB+ Sustainable SRI Bond Index (GBP Hedged) over any five-year period through investment in investment grade corporate bonds, whilst applying Environment, Social and Governance (“ESG”) criteria.

The Fund has not generated the expected level of interest from investors and as a result has not attained the size required to make it commercially viable. A recent review concluded that there is little prospect for growth in the foreseeable future, and after having considered a number of options we have decided to close the Fund and suspend dealing from **12:00 noon on Thursday 20 August 2026**.

What are the options for Shareholders?

The different options for Shareholders are outlined in the following pages. None of the options detailed carry any associated charges from M&G.

Please read the information carefully and send us your instructions using the Option Form provided or by contacting our **Customer Relations** team on **0800 390 390** (or **+44 (0)1268 44 8031** if calling from overseas)*. Alternatively, you can use our My Account service at **www.myaccount.mandg.com** to switch or sell your investment online* – you will need to be registered to use this service.

Please note that we need to receive your instructions no later than **12:00 noon on Thursday 20 August 2026**.

*If you instruct us by phone or online, your holding will be sold or switched at the next valuation point.

If you do not send us any instructions, what will happen to your investment will depend on whether you hold your investments within or outside The M&G ISA or The M&G Junior ISA. We have highlighted differences for ISA and Junior ISA Shareholders where applicable.

Important information

Please note that the Fund will remain open to movements in financial markets up to the completion of the closure process. The value of your investment will therefore continue to go up or down until the Fund closes, including after the suspension of dealing in the Fund.

Unless you hold your entire investment in the Fund in The M&G ISA or The M&G Junior ISA, you may be liable for capital gains tax (“CGT”), no matter which option you choose. All stated tax implications are based on our current understanding of UK tax legislation and will depend on your personal tax circumstances. If you are in any doubt as to your own position in regard to this issue, you should consult a tax adviser or financial adviser.

Your options

Investments held within The M&G ISA or The M&G Junior ISA

Please note: Option IV below (“Sell your investment”) is not available to shareholders in The M&G Junior ISA; all other information and options given below apply to both The M&G ISA and The M&G Junior ISA.

If you choose to sell your investment and receive a cash payment from The M&G ISA, you will lose the tax-efficient ISA status associated with your holding. However, switching your investment to another fund or funds within The M&G ISA or The M&G Junior ISA, or transferring your holding to another ISA or Junior ISA manager would maintain its tax-efficient status. To maintain your tax-efficient status, you should choose from Options I, II or III below.

Please use the enclosed Option Form to provide your instructions, where required:

- If you choose Option I (“Switch to the M&G Global Corporate Bond Fund when the Fund closes”), you only need to complete the form if you wish to switch your investment before the closure date.
- If you choose Option III (“Transfer your ISA or Junior ISA investment to another manager”) you do not need to complete the form **but you should contact your chosen ISA manager as soon as possible** as they must instruct us to transfer your holding before **12:00 noon on Thursday 20 August 2026**.

Option I: Switch to the M&G Global Corporate Bond Fund when the Fund closes (the default option)

This option aims to ensure that any shareholders in The M&G ISA and The M&G Junior ISA who do not send instructions to us by **12:00 noon on Thursday 20 August 2026** can retain the tax advantages attached to their investment. To that end, the proceeds of any investment in the Fund within The M&G ISA or The M&G Junior ISA will be used automatically to purchase shares of an equivalent value in a ‘default’ fund within The M&G ISA or The M&G Junior ISA. We have selected the M&G Global Corporate Bond Fund as the default fund as it provides the nearest match to your current investment strategy and risk profile from the other funds in the M&G range.

The M&G Global Corporate Bond Fund aims to provide a higher total return (the combination of capital growth and income), net of the Ongoing Charge Figure, than that of the Bloomberg Global Aggregate Corporate Index (GBP Hedged) over any five-year period. The underlying investment aim and management of the fund is similar to the ESG Screened Global Corporate Bond Fund you are currently invested in, however it does not apply any ESG criteria and does not screen investments.

For more information on the M&G Global Corporate Bond Fund please refer to the enclosed Key Investor Information Document(s) (KIIDs). **If you wish to switch your holding before the closure commences**, select Option II on the Option Form and include the M&G Global Corporate Bond Fund as the fund you wish to switch into, including the share class(es) you have chosen. Alternatively if you want the switch to take place on Thursday 27 August 2026 you do not need to do anything.

Your investment will retain its tax-efficient status and the transaction will not incur any charges. If you elect to switch on Thursday 27 August 2026 you will be able to make changes to your investment in the M&G Global Corporate Bond Fund from Friday 28 August 2026 subject to our usual Terms and Conditions.

Option II: Switch to (an) alternative M&G fund(s) within The M&G ISA and The M&G Junior ISA

If you wish to switch to a different M&G fund or funds within The M&G ISA and The M&G Junior ISA, you can find out about our full range of funds, including some that apply ESG Criteria, by visiting www.mandg.co.uk/funds or contacting our **Customer Relations** team. Before selecting this option, you must read the relevant Key Investor Information Document (KIID) for your chosen fund(s) and, for funds with Sustainability characteristics or with a Sustainability label, the Consumer-Facing Disclosure (CFD), along with the Important Information for Investors document which will provide you with details of share classes that are available for investment, and minimum investment limits associated with those share classes.

We are not permitted to provide investment advice, but we are happy to talk you through the various options.

If you wish to switch your holding to alternative funds within the M&G range, select Option II on the Option Form and list the fund(s) and share classes you wish to invest in. You can send the form to us using the reply-paid envelope – more details can be found in “Giving your instructions” on page 7. Instructions sent by post must reach us by **12:00 noon on Thursday 20 August 2026**.

You can call our **Customer Relations** team or use our My Account service at www.myaccount.mandg.com to switch your investment online – you will need to be registered to use this service. Phone and online instructions must be provided before **12:00 noon on Thursday 20 August 2026**.

Switching to other funds within The M&G ISA or The M&G Junior ISA range will mean your investment will retain its tax-efficient status and the transaction will not incur any charges.

If you need investment advice before making a decision, please contact a financial adviser.

We will send you confirmation of your new holding(s) in your chosen fund(s) once the switch has taken place.

Option III: Transfer your ISA or Junior ISA investment to another manager

You may transfer your investment to another ISA/Junior ISA manager – this will maintain its tax-efficient status.

To initiate your ISA transfer, **you will need to contact your chosen ISA manager in the first instance** and they must in turn instruct us to transfer your holding before **12:00 noon on Thursday 20 August 2026**. If the documentation from your new manager is not received by M&G by that date, your investment will automatically be switched into the M&G Global Corporate Bond Fund as described in Option I.

If you transfer your holding to a new manager, you will not be charged for the transfer by M&G but your new ISA manager may levy a charge. Please note that if you choose to transfer your M&G ISA or M&G Junior ISA to another manager your monies may not be invested for a period of time.

Option IV: Sell your investment (not available to shareholders in The M&G Junior ISA)

Please note that choosing this option would result in the loss of the tax-efficient ISA status associated with your holding.

If you would like to sell your investment in the Fund and receive a cash payment, you will need to complete and return the enclosed Option Form for it to reach us before **12:00 noon on Thursday 20 August 2026**. You will be sent your proceeds within four business days of us receiving the completed form. Alternatively, you can instruct us by phone by contacting our **Customer Relations** team to sell at the next valuation point, or you can use our My Account service at www.myaccount.mandg.com to sell your investment online – you will need to be registered to use this service. Phone and online instructions must be provided before **12:00 noon on Thursday 20 August 2026**. Selling and receiving a cash payment from The M&G ISA will result in the loss of the tax-efficient ISA status.

For your protection, and to minimise the risk of financial crime, we are required by law to verify the identity of all our customers. If we have not been able to verify your identity we will not be able to make a payment to you and will need to contact you to obtain verification. If you would like to confirm whether your identity has been verified, please call our **Customer Relations** team.

As long as we have been able to verify your identity, your proceeds will be paid out according to the payment instructions we hold on your account. If we don't hold verified bank or building society account details for you, the payment will be made by cheque.

The default option on Fund closure

If we have not received instructions from you by **12:00 noon on Thursday 20 August 2026** we will automatically use your share of the closure proceeds of the Fund to buy Shares in the M&G Global Corporate Bond Fund as described in Option I above on Thursday 27 August 2026. Your investment will retain its tax-efficient status and the transaction will not incur any charges.

Option B: Switch to (an) alternative M&G fund(s)

Q. What if I don't do anything?

What happens will depend on whether you hold your investment in the Fund within or outside The M&G ISA or The M&G Junior ISA. Please refer to the default option relevant to you on pages 4 and 6.

If you are switching to another M&G fund

Q. Do I have to switch to the M&G Global Corporate Bond Fund?

No. We have provided information about this fund as it is the 'default' fund which we have selected for The M&G ISA and The M&G Junior ISA Shareholders who do not provide us with any instructions. However you are welcome to select any other fund(s) in our range. Please ensure that you have read the KIID(s) for the fund(s) and share classes you have chosen and, for funds with Sustainability characteristics or with a Sustainability label, the Consumer-Facing Disclosure (CFD). For further information on our full range of funds, including free up-to-date copies of the KIIDs and CFDs, please visit www.mandg.co.uk/funds or call our **Customer Relations** team. We are not permitted to provide investment advice, but we are happy to talk you through the various options. Alternatively, please contact a financial adviser.

Q. Will I hold the same number of shares if I switch to another fund?

When switching to another fund, you will not receive the same number of individual shares, but you will hold shares to the same value as you did in the Fund on the date of the switch (based on the published price of each fund on that date).

Q. Will I hold shares of the same class and type if I switch into another fund?

- If you switch into the M&G Global Corporate Bond Fund on the closure date, the default option for shareholders in The M&G ISA and The M&G Junior ISA (see Option I on page 4), you will receive shares of the same class, type and features as you currently hold in the Fund.
- For any other switch(es), (see Option II on page 4 and Option B on page 6), you will be able to choose a share class and type from those available in the fund you have selected. Please ensure that you have read the relevant KIID(s) for the fund(s) and share classes you have chosen and, for funds with Sustainability characteristics or with a Sustainability label, the Consumer-Facing Disclosure (CFD). For free up-to-date copies of the KIIDs and CFDs please visit www.mandg.co.uk/kiids or call our **Customer Relations** team.

Q. Will the investment retain its tax-efficient status?

If you hold your investment in the Fund through The M&G ISA or The M&G Junior ISA and choose Options I, II or III, then the investment will retain its tax efficiency.

Q. What will happen to my income instructions?

If you switch to income shares in another M&G fund, your existing income instructions will remain in force. However, if you already are a shareholder in the fund you are switching into, your existing income instruction for the fund you are switching into will take precedence.

Your investment

Q: Does the closure affect my other investments with M&G?

No – it does not affect any other investment(s) you have with us.

Q. I invest by Direct Debit. What will happen to that?

The last dates we will take a Direct Debit payment for the Fund will be 22 July 2026, 3 August 2026 and 10 August 2026 depending on which day of the month your payments are currently being made.

If you switch your investment into another M&G fund, we will redirect your monthly payments to your new fund with effect from the next contribution date following receipt of your instruction. You do not need to complete a new Direct Debit Instruction as your existing instructions will automatically transfer to the new fund when you switch. However, if you already happen to be making a regular contribution to the fund you are switching into, the amounts of your two Direct Debits will be combined with effect from the next contribution date after we receive your instruction. In all other respects, your instructions for the fund you are switching into will take precedence.

 ISA and Junior ISA Shareholders

Last Direct Debit payment	Cut-off to cancel last Direct Debit payment in M&G ESG Screened Global Corporate Bond Fund	First Direct Debit payment in M&G Global Corporate Bond Fund (if applicable)
22 July 2026	8 July 2026	22 September 2026
3 August 2026	20 July 2026	3 September 2026
10 August 2026	27 July 2026	10 September 2026

If you sell your investment in the window between the cut-off to cancel a Direct Debit and the Direct Debit collection date itself, your investment may go ahead on the collection date. In this scenario, your new investment in the closing Fund will be sold approximately ten business days after the collection date or upon the completion of the closure of the Fund, whichever is sooner.

If you remain in the Fund until Thursday 20 August 2026, after your last Direct Debit Payment, your existing Direct Debit instructions will automatically transfer to the M&G Global Corporate Bond Fund. However, if you already happen to be making a regular contribution to the M&G Global Corporate Bond Fund, the amounts of your two Direct Debits will be combined with effect from the next contribution date. In all other respects, your instructions for the M&G Global Corporate Bond Fund will take precedence.

In this scenario, your new investment will be sold approximately ten business days after the collection date or upon the completion of the closure of the Fund, whichever is sooner.

If we have not received instructions from you by **12:00 noon on Thursday 20 August 2026**, your holding including your last Direct Debit payment will be sold on Thursday 27 August 2026 and you will be sent the proceeds within four business days.

Q: How can I find out what the value of my investment in the Fund is?

The easiest way to access an up-to-date valuation on your investment is via our online **My Account** service at www.myaccount.mandg.com

Alternatively you can call our **Customer Relations** team and request an automated valuation on the phone without having to speak to the team.

Costs of the closure

Q. Will I be charged for the Fund closure?

Administrative or publishing charges incurred in the closure of the Fund will be borne by M&G. Transaction costs associated with selling the portfolio will be paid by the Fund. None of the options detailed above carry any associated charge from M&G.

ISA and Junior ISA Shareholders

If you transfer your holding to a new ISA/Junior ISA manager, you will not be charged for the transfer by M&G, but your new ISA/Junior ISA manager may levy a charge.

Q. Will I pay more charges as the Fund reduces in size prior to its closure?

No, fixed costs are included in the annual charge which will remain unchanged and you will not pay more.

Tax information

Q. Will I have to pay capital gains tax (CGT)?

Unless you hold your entire investment in the Fund in The M&G ISA or The M&G Junior ISA, you may be liable for CGT, no matter which option you choose. This depends on your personal tax circumstances; please speak to a financial adviser or tax adviser if you are in any doubt.

ISA and Junior ISA Shareholders

Investments in an ISA or Junior ISA are not liable for CGT as a result of a switch or sale.

After the Fund closes

Q. What will happen if there is any surplus cash after the Fund closure?

When we commence the closure of a fund it may be necessary for us to retain a small amount of the fund's assets in order to ensure that all its liabilities are met. Sometimes a fund's liabilities prove more difficult to accurately predict and we may retain more assets than are needed. Equally, the fund may receive an unexpected windfall (eg a tax rebate). Whilst both of these scenarios are unusual, this may result in a small surplus needing to be returned to shareholders sometime after Thursday 27 August 2026.

If we have surplus cash after the Fund closure it will be paid, net of the costs of making payment, to shareholders who were invested after 12:00 noon on Thursday 20 August 2026.

For your protection, and to minimise the risk of financial crime, we are required by law to verify the identity of all our customers. If we have not been able to verify your identity we will not be able to make a payment to you. If you would like to confirm whether your identity has been verified, please call our **Customer Relations** team.

As long as we have been able to verify your identity, your proceeds will be paid out according to the payment instructions we hold on your account. If we don't hold verified bank or building society account details for you, the payment will be made by cheque.

Please note that shareholders who sell or switch their investment in the Fund prior to 12:00 noon on Thursday 20 August 2026 will not be entitled to a share of the surplus cash.

ISA and Junior ISA Shareholders

Your share of the surplus cash will be used to purchase new shares in line with the option you chose at closure where possible.

Q. What will happen if the Fund hasn't sold all its investments when it closes?

If any of the Fund's investments remain unsold on Thursday 27 August 2026, these "Unsold Investments" will be held in a Custody Account, where they will remain until they can either be sold or written off.

The Unsold Investments will be subject to a periodic review in conjunction with the Fund's Depository, which may conclude that there is no realistic prospect of either being able to sell them or receiving any proceeds from them, in which case they would be written off.

Should any of the Unsold Investments be sold any additional net gains resulting from the sale may be paid, net of costs of making payment, to shareholders who were invested after 12:00 noon on Thursday 20 August 2026.

For your protection, and to minimise the risk of financial crime, we are required by law to verify the identity of all our customers. If we have not been able to verify your identity we will not be able to make a payment to you and will need to contact you to obtain verification. If you would like to confirm whether your identity has been verified, please call our **Customer Relations** team.

As long as we have been able to verify your identity, your proceeds will be paid out according to the payment instructions we hold on your account. If we don't hold verified bank or building society account details for you, the payment will be made by cheque.

Please note that shareholders who sell or switch their investment in the Fund prior to 12:00 noon on Thursday 20 August 2026 will not be entitled to the sale proceeds of any Unsold Investments.

ISA and Junior ISA Shareholders

Gains from the sale of Unsold Investments will be used to purchase new shares in line with the option you chose at closure where possible.

Q. When will the Fund's termination accounts be published?

Termination accounts are not finalised until sometime after the closure process. Once available, they will be published on our website and sent to all investors who were still invested in the Fund at 12:00 noon on Tuesday 20 August 2026, except investors in the M&G ISA and M&G Junior ISA who have not opted to receive Annual and Interim Fund Reports. Should termination not be completed before the end of any future annual accounting periods ending 31 March each year or half-yearly accounting periods ending 30 September each year, we would additionally publish on our website the long report and financial statements within two months of the half-yearly accounting periods and within four months of the end of the annual accounting periods. All reports are available on the website www.mandg.co.uk/literature and by filtering 'Annual Report' and 'Interim Report'.

If you would like to receive a paper copy of any of these reports when they are available, please request a copy by calling our **Customer Relations** team.
