Part 3 – How much do you want to pay in?

Regular payments by you

How much in total do you want to pay?#

£ net*

This should be the total amount you want to pay including any existing or previous regular contributions.

When do you want payments to begin?

0 1 M M 2 0 Y Y

Payments are always collected on 1st of the month. If we are unable to collect this payment on the specified date do you want us to take multiple payments (no more than 3 months) at the next available collection date?

Yes

No

If no, we will start the policy and collect 1 months payment as soon as possible or at the requested date, whichever is the later. We will confirm in writing once this has been set up.

Would you like your total monthly payment to increase automatically by 5% each year?

Yes

No

Please note: If your payments do not already increase automatically each year then by ticking **Yes**, the automatic increase will be applied to the whole amount that you pay into the plan, not just this increase. Similarly if your payments already increase automatically each year, and you tick **No**, then this option will be removed from the **total** amount of payments, not just the increase.

In the event of a tax rate change, the amount you pay will alter and the gross investment will stay the same.

If you are a higher rate taxpayer, under current rules, any higher rate tax relief can be claimed through your tax assessment.

This is based on our understanding of current tax legislation and HM Revenue & Customs practice, both of which may change without notice. The impact of taxation (and any tax relief) depends on individual circumstances.

Lump sum payments by you

Do you wish to make any additional lump sum payment?

Yes

No

How much is the lump sum payment that you want to make?

£ net*

If you have outstanding payments, do you wish to pay all or some of those outstanding payments**

Yes

No

If so, how much?

£

Please make the cheques payable to "The Prudential Assurance Co Ltd".

Bank/Building Society "Counter" Cheque/Money orders: the Bank/Building Society should include reference to the name of the account from which the funds have been withdrawn when completing the name of the payee on the cheque/money order. For example, "pay ... The Prudential Assurance Company Ltd – Re: Your name".

If your direct debit mandate has been cancelled, please complete the mandate on the last page of this application.

If you have an existing Pension Plan where contributions have been stopped, if the terms of the contract allow, these contributions will be restarted. If these contributions cannot be restarted, then, along with any additional contributions up to the amount shown here, they will be started as a top up to your existing plan.

* Prudential will claim basic rate tax relief from HM Revenue and Customs for you and add this to the amount you want to pay. For example, if you want to pay £80 (net), Prudential will claim £20 from the Revenue (assuming a basic rate tax of 20%) making your total investment of £100. This is the gross amount (subject to government limits). Remember the pension you receive at retirement will be taxed as earned income.

** If the arrears you pay do not equal an exact number of payments the difference will be returned to you.

Part 4 – Where do you want your money to be invested?

Please tell us where you would like your payments to be invested. You can only choose to invest your regular payment in any of the unit-linked funds if you are currently investing regular payments into one or more of these funds. You can only choose to invest your lump sum payment into any of the unit-linked funds if you have previously invested into one or more of these funds.

If you do not tell us we will invest your payments in the Prudential With-Profits Pension Fund if you have at least five years until your selected retirement date, or in the Prudential Cash Pension Fund if you have less than five years remaining.

If there are less than five years to your selected retirement date these can be invested in the With-Profits Fund provided you already have payments invested in this fund with the same retirement date.

If you would like further information on funds please refer to your Fund Guide.

How we use your personal information

We, Prudential UK (part of M&G plc), take the privacy and protection of your personal information seriously.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

When we say personal information, we mean information about you, such as your name, date of birth and contact details. We collect personal information from you that is necessary for us to either provide you with the product or service you've requested or to comply with statutory or contractual requirements. Unfortunately if you don't provide all of the information we require this may mean we are unable to provide our products and services to you.

Part A – How we use your personal information and why

We, M&G plc and our Business Partners, will use the personal information you provide to us, together with other information, for the following purposes:

- the administration of our products and services, including to enable us to perform our obligations to you and to provide any relevant services as discussed with you prior to any purchase of a product or service
- complying with any regulatory or other legal requirements
- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (See Part B for more)
- the provision of customer services – like to reply to a question, or tell you that something's changing
- automated decision-making or profiling (see Part C for more)
- keeping your information on record and carrying out other internal business administration

In addition, we, M&G plc, and our Marketing Partners, will use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic and non-electronic means including by post, as well as sending you introductions to products and services from carefully selected third parties also by post. Please see Part G for further details.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We may also rely on legitimate interests or other legal bases in using and sharing your personal information for the purposes described above to improve our products and services. This allows us to explore ways to develop our business and to gain insights into how our products

and services are used. To the extent that we need your consent to use your personal information for the purposes described above, you explicitly provide your consent by signing and returning this form, or as set out in Part G as appropriate.

Who we share your personal information with and why

We may share your personal information within M&G plc and with our Business Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc, and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the UK or the European Economic Area. These transfers will only be to countries in respect of which the European Commission and, where applicable, the UK Government has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America, but only where appropriate safeguards have been put in place first. In more limited circumstances, we may also need to rely on a derogation under applicable privacy laws.

If you want to know more about these safeguards –like our use of the European Commission's or UK's Model Clauses which govern the transfer of information outside of the European Economic Area and UK respectively – further information is available on request.

We keep your personal information for a set amount of time

Your personal information will be stored either for as long as you (or your joint policyholder) are our customer, or longer if required by law or as is otherwise necessary. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, you explicitly provide your consent by signing and returning this form.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive)
- in certain circumstances request that we move your personal information to another organisation if you want us to
- request that we correct anything that's wrong, or complete any incomplete personal information
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing
- limit how we use your personal information or withdraw your consents (including automated decision making) you have given for the processing of your personal information
- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the Contact Us section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is Prudential UK. Prudential UK have also appointed a Data Protection Officer who can be reached at the address shown in the Contact Us section of this document.

We may monitor or record calls or any other communication we have with you. This might be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above)
- you getting any information protection notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number below before sending us anything.

Part G – Direct marketing

We and M&G plc will still send you information by post about the Prudential UK and M&G plc's products and services and carefully selected third parties.

Additionally, from time to time, Prudential UK and M&G plc would like to contact you by electronic means with details about products, services and any special offers. Please note that any consent you give will not apply to M&G Investments Group and Prudential International Assurance plc as they operate their own customer databases and may contact you separately.

If you consent to us contacting you for this purpose by electronic means, please tick to say how we may contact you (tick as many or as few as you like):
