

Retail Fund Closures

17 November 2023

We regularly review the funds we offer, and we've decided to close the Prudential Invesco UK Equity Income S2 (Inc) Life Fund on 17 November 2023.

Closing a fund is not an option we take lightly. We'll close funds, when our confidence in how consistent returns will be produced in the future has significantly reduced.

When we close a fund, we offer our selected replacement fund. We aim to keep the ongoing charges the same or lower, in this case the replacement fund charges are lower.

If you're considering choosing your own replacement fund, you may want to speak with your financial adviser.

If you don't have one, you can visit unbiased.co.uk where you'll be able to find advisers in your own area.

Possible transaction costs Your investment return may be reduced by possible one-off transaction costs. We've estimated the effect to be approximately 0.34% or £3.40 for every £1,000 invested in the closing fund.	

The transaction costs provided are based on our current understanding, and best analysis, but may be subject to change. They are only known on the date of the transaction and may be higher or lower than estimated.

We take an AMC (annual management charge) from each of the funds you invest in. Some funds also have Further Costs. Any charges will impact the overall performance of the fund. Charges may vary in future and may be higher than they are now. Fund costs and charges above are correct as at 28 July 2023.
