

Top-Up Application Form

Notes to help you

This form is used for applications for the Flexible Protection Bond issued by Prudential International Assurance plc.

This form is divided into sections. **Notes** can be found at the end of each section to help you to fill in this form.

Before completing this form, you must read the Privacy Notice in section H page 15. The Privacy Notice explains how we use your personal data and why we are collecting it.

The personal information you provide is being collected for the purpose of entering into a contract and to discharge our legal responsibilities. Failure to provide the requested information will result in the application not being processed.

If you have any questions while completing this Top-up Application please speak to your financial adviser or call us **0808 234 2200** where we'll be happy to help you. We might record your call to make sure our service is up to standard.

Please use black ink and write in CAPITAL LETTERS or tick as appropriate. Any corrections must be initialled – don't use correction fluid as this will invalidate your application.

Please send this completed form to **Prudential International Assurance, PO Box 13395, Chelmsford CM99 2GH**.

These signs will direct you to the next relevant sections you need to complete.

Optional – If someone else fills this form in for you (for example, your employer or financial adviser), please check that all the details are correct before you sign the declaration. You are responsible for your answers. If you make a mistake please cross it out, put in the correct word or words and initial next to the correction.

If you'd prefer, you can complete the medical questions in private and return the Health Details section to our Chief Medical Officer at **Prudential International Assurance, PO Box 13395, Chelmsford CM99 2GH**. Please let us know on this form if you have done this.

It's very important that you tell us if there is a change to any of the following: your personal health, family history, occupation, your participation in any hazardous leisure activities, travel or residence or your lifestyle (smoking, alcohol consumption etc) between completion of this form and acceptance of your investment. If you don't, a claim in the future may not be paid.

Important: Sharing information with us

You should take reasonable care to answer all of the questions in this form honestly and to the best of your knowledge. If you don't, this may lead to the cancellation of the Bond. This could also delay the processing of your Top-Up, affect entitlement to benefits under the Bond and/or may result in any claim being rejected or not paid in full.

If between completion of the Top-up Application and acceptance of your investment you become aware that any of the answers you have given are no longer true, you should notify us.

Genetic testing – If this Top-up Application, taken together with any other insurance policies you already have, is for life insurance up to a sum of £500,000 you don't need to disclose any genetic test you may have had.

You don't need to disclose the result of any genetic test undertaken in the context of research.

Genetic test results only need to be disclosed where the total sum exceeds £500,000 for life insurance and their use by insurers has been independently approved.

You may, of course, disclose any genetic test result which is in your favour. If you either have a family history of, are experiencing symptoms of, or are having treatment for, a genetic condition, you must tell us.

Further information is available on request which fully explains this policy and details those genetic tests approved for use by insurers.

Section G – Authority to access medical reports

Your Statutory Rights Under The Access To Medical Reports Act, 1988 & The Access To Personal Files & Medical Reports (NI) Order 1991

Important notes

We may need to send your application and relevant medical reports to our reassurers for their opinion or agreement of the terms offered. Or, we may need to send them at a later stage for purposes relating to managing the plan. You can get details of general reassurance principles and details of any company we use to assess your application from our head office.

If we ask you to come for a medical examination, we will need to share the application information with another company we have authorised. They will make the arrangements for the examination to take place.

We have a confidentiality policy in place, which means we hold your medical information securely and access is limited to authorised individuals who need to see it.

You are entitled to ask for a copy of our estimate, based on a standard assessment, and a copy of your application form at any time.

Access to medical reports

We may need to get medical reports to support your application. Before we can ask any doctor that you have consulted to fill in a report, we need your permission under the Access to Medical Reports Act 1988. Your rights under the Act are as follows.

You do not need to give your permission, but if you do not, we may not be able to go ahead with your application. This does not prevent you from applying to other companies for insurance.

You can ask to see the report before the doctor returns it to us. If this is the case, we will tell the doctor to keep the report for 21 days so that you can arrange to see it.

If you have not made arrangements to see the report within this time, your doctor will send the report to us.

If you choose not to see the report at this stage, you may ask the doctor for a copy within six months of it being sent to us. We can send a copy of the report to your doctor if you ask to see it at a later date.

If you think that any part of the report is not correct or is misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him or her to attach a statement outlining your views, which will then accompany the report.

Your doctor can withhold access to the report if he or she feels that it would cause physical or mental harm to you or others.

The medical report your doctor fills in asks about the following.

Your current health

- Any care, medication or treatment you are currently receiving
- The results of referrals or tests you are waiting for
- Any time off work in the last three years

Your past health

- Details of any relevant illness, trauma, or referrals for specialist advice or treatment, hospital admissions, consultations with your GP or any other medical adviser, therapist or counsellor, in particular whether you have a history of:
 - malignancy (cancer), cardiovascular (heart) disease, diabetes, and degenerative (gradually worsening) diseases;
 - musculo-skeletal disease or injury, for example, arthritis, rheumatism, back problems or any other disorder of the joints or muscles;
 - anxiety, depression, neurosis (such as phobias, obsessions and so on), psychosis (a mental disorder where you lose contact with reality), stress or fatigue;
 - suicidal thoughts or attempts at suicide; or
 - conditions related to drug or alcohol misuse or smoking or chewing tobacco.
- Details of any biopsies, blood tests, electrocardiograms (heart tests), height, weight if measured in the last two years, urinalyses (tests on urine), x-rays or other investigations
- Any blood pressure readings in the last three years
- Any history of disease among your parents or brothers or sisters that you have told your doctor about

We have asked your doctor not to reveal information about:

- negative tests for HIV, hepatitis B or C;
- any sexually-transmitted diseases unless there could be long-term effects on your health; or
- predictive genetic test results unless there is a favourable test result which shows that you have not inherited a condition your family suffers from.

The information you and your doctor provide about your health may result in us:

- refusing to provide insurance;
- increasing the payment you need to make into the bond above standard rates; or
- setting the payment you need to make into the bond at standard rates.

If you have any questions about your rights under the Act or questions relating to the process of getting, assessing or storing medical information, please write to:

The Chief Medical Officer, Prudential International Assurance plc, PO Box 13395, Chelmsford, CM99 2GH.

PRIVACY NOTICE

2. How we use your personal information

We, Prudential International Assurance Plc (PIA), take the privacy and protection of your personal information seriously. PIA will operate as the data controller in respect of the data we collect about you.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

When we say personal information, we mean information about you, such as your name, date of birth and contact details. We collect personal information from you that is necessary for us to either provide you with the product or service you've requested or to comply with statutory or contractual requirements. Unfortunately, if you don't provide all of the information we require this may mean we are unable to provide our products and services to you.

Part A – How we use your personal information and why

We, M&G plc Group* and our Business Partners**, will use the personal information you provide to us, together with other information, for the following purposes:

- the administration of our products and services, including to enable us to perform our obligations to you and to provide any relevant services as discussed with you prior to any purchase of a product or service;
- complying with any regulatory or other legal requirements;
- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (See Part B for more);
- the provision of customer services – like to reply to a question, or tell you that something's changing;
- automated decision-making or profiling (see Part C for more);
- keeping your information on record and carrying out other internal business administration.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We'll use your personal information if we consider it is in our legitimate business interests so that we can operate as an efficient and effective business and ensure that our policyholders are appropriately protected. We use your personal information:

- to detect and prevent financial crime
- for marketing purposes, including profiling
- to obtain reinsurance for the policies we underwrite
- identifying customers that require additional support
- market research, data analytics including profiling, staff training and provision of on-line services
- for management information purposes including risk assessments, performance and management reporting.

Where we rely on legitimate interests, we will always balance this against your rights and freedoms. Where your rights override our legitimate interests we will cease to process personal data.

In addition, we M&G plc and our Marketing Partners***, may use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic or non-electronic means including by post, where you have consented for us to do so. Please see Part G for further details.

Who we share your personal information with and why

We are the data controller in respect of the personal information we collect about you and in this capacity we will share your personal information within M&G plc, with our Business Partners and with our Marketing Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc, and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the European Economic Area. These transfers will only be to countries in respect of which the European Commission has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America but only where appropriate safeguards have been put in place first. In more limited circumstances, we may also need to rely on a derogation under applicable privacy laws.

If you want to know more about these safeguards – like our use of the European Commission's Standard Contractual Clauses which govern the transfer of information outside of the European Economic Area – further information is available on request.

We keep your personal information for a set amount of time

We'll keep your personal information while you're one of our policyholders (including joint policyholders), and for seven years from cessation, or longer if we need to by law. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, we will only process such data as provided by your consent.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive). We shall respond as soon as reasonably possible and within one month of the date of receiving your request;
- in certain circumstances request that we move your personal information to another organisation if you want us to;
- request that we correct anything that's wrong, or complete any incomplete personal information;
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing;

- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests;
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the '**Contact Us**' section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is PIA. PIA has also appointed a Data Protection Officer who can be reached at the details shown in the '**Contact Us**' section of this document.

We may monitor or record calls or any other communication we have with you. This will be for training, for security, or to help us check for quality.

Part F – Acting on someone else’s behalf?

If you give us personal information about another person (or persons), we’ll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we’ve explained in Parts A, B, C, and D above);
- you getting any data privacy notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person’s information, please contact us on the phone number provided in the ‘**Contact Us**’ section before sending us anything.

Part G – Direct marketing

From time to time, we, M&G plc, our Business Partners and our Marketing Partners may like to contact you by electronic or non-electronic means with details about products, services and any special offers. Please note that any consent you give will not apply to M&G Investments Group and Prudential UK as they operate their own customer databases.

If you previously provided us with your marketing preferences for email, phone and/or text, we’ll ensure that these preferences are adhered to.

We’ll continue to send you communications by post unless you have asked us not to. If you’ve opted out already from post and/or email, phone or text, then we will not send you marketing communications.

Notes

⁵ If there are more than two applicants please photocopy this Declaration, complete and send in with this application.

Section I – Declaration of residence outside Ireland

Each Applicant must read these definitions and then complete the declaration on the next page.

Please note that the declaration below regarding non-residence in Ireland must be completed before we can make payments.

Important – Irish “Exit” Tax may be applied to the bond (for example on payments from the bond) if this declaration is not completed.

Residence – company

Generally a company that is incorporated in Ireland will be regarded as resident for tax purposes in Ireland. Incorporation in Ireland does not result in a company being tax resident in Ireland if the company is regarded as resident in a territory other than Ireland and not resident in Ireland for the purposes of a tax treaty. In such a case, the tax treaty provisions override the general rule.

A company that is incorporated in a foreign jurisdiction and is centrally managed and controlled in Ireland will be resident in Ireland for tax purposes.

It should be noted that the determination of a company’s residence for tax purposes can be complex in certain cases and professional tax advice should be taken if necessary.

If this declaration is being made in any of the following scenarios:

- whilst in the process of setting up the policy;
- setting up a series of regular withdrawals or;
- making a first partial encashment an additional declaration is required:

I/we/the company* hereby undertake to inform the insurance company of any change in my/our/the company’s* country of residence during the life of the policy.

* Delete as appropriate

Residence – individual

An individual will be regarded as being resident in Ireland for a tax year if s/he:

- spends 183 days or more in the State in that tax year; or
- has a combined presence of 280 days in the State, taking into account the number of days spent in the State in that tax year together with the number of days spent in the State in the preceding year

Presence in a tax year by an individual of not more than 30 days in the State will not be reckoned for the purpose of applying the two-year test. Presence in the State for a day means the personal presence of an individual at any time during that day for tax year 2009 onwards.

Ordinary residence – individual

The term “ordinary residence” as distinct from “residence” relates to a person’s normal pattern of life and denotes residence in a place with some degree of continuity. An individual who has been resident in the State for three consecutive tax years becomes ordinarily resident with effect from the commencement of the fourth tax year.

An individual who has been ordinarily resident in the State ceases to be ordinarily resident at the end of the third consecutive tax year in which s/he is not resident. Thus, an individual who is resident and ordinarily resident in the State in 2008 and departs from the State in that year will remain ordinarily resident up to the end of the tax year 2011.
