Notes

General

Details of our funds, including charges and costs, can be found in our Fund Guides available from your adviser or directly from us.

As we actively review our funds the current fund range may differ from that available when you took out your Pru Flexible Retirement Plan. We would suggest that you speak to your Financial Adviser about our current fund range before deciding to make any changes.

Once an investment switch has been processed it cannot be cancelled.

With-Profits

For plans which started prior to 11 November 2013 – Re-allocation of existing investments (or redirection of future contributions) to the With-Profits Fund is not allowed within five years of your Selected Retirement Age and/or Anticipated Annuity Age and, if selected, will instead be invested in the Cash Fund.

For plans which started on or after 11 November 2013:

1. Re-allocation of existing contributions (or redirection of future contributions) to the With-Profits Fund is not allowed within ten years of your Selected Retirement Age and or Anticipated Annuity Age and, if selected, will instead be invested in the Cash Fund.
2. An MVR may be applied to any income or ongoing or ad hoc adviser charges taken from the plan.
3. You can choose to exclude the With-Profits Fund from the deduction of on going and ad hoc adviser charges.

You should refer to your Technical Guide to determine the terms applicable to you.

PruFund

If you are interested in investing money in these funds we would suggest that you speak to your Financial Adviser as there are additional terms and conditions which apply to these funds. These are fully explained in our Technical Guides and other documents.

If all your Pru Flexible Retirement Plans were taken out prior to 13 June 2011 you will need to ask for and read copies of the following documents:

- Key Features
- Technical Guides and appropriate Addendums
- Your With Profits Plan – a guide to how we manage the Fund for PruFund Range of Funds (WPGB0031).

You can get these from your Financial Adviser or direct from Prudential, call 0845 640 3000. Calls may be recorded or monitored for quality and security purposes.

A switch of investments into Prufund Protected funds is not allowed if the period to Selected Retirement Age and/or Anticipated Annuity Age is less than the current minimum guarantee period.

You cannot invest in more than one PruFund Protected fund at any time.

Self Investment

Charges for your Self-Invested Fund (SIF) will vary depending on your choice of individual investment. The minimum initial investment into your SIF is £10,000.

If you invest in SIF and have Additional Life Cover, regular monthly contributions must be paid.

All of the funds are described in detail in our [Fund Description Brochures](#).
