

# A schedule of fees

## Self-Invested Fund

<b>SIPP Fees</b>	
<b>Annual Management Charge (AMC)</b>	Any AMC will be specific to the individual assets within the fund. Prudential does not apply an AMC on the fund.
<b>Bid-Offer Spread</b>	Any bid-offer spread will be specific to the individual assets within the fund. Prudential does not apply this on the fund.
<b>Administration Fees (see note 1)</b>	
<b>Establishment Fee</b>	£300 or £150** (this will be applied when you first set up the Self-Invested Fund).
<b>Annual Administration Fee</b>	£425 or £200** each year (only applies where there is an investment held or cash held in the bank account).
<b>Annual Drawdown Fee</b>	£100 each year (applies regardless of level of income taken).
<b>Investment Related Fees (see notes 1 – 9)</b>	
<b>Ad-hoc valuations</b>	Valuations of the Self-Invested Fund are available online free of charge and we issue statements each year with detailed investment information. Any requests for additional detailed valuation statements will be charged based on the costs incurred and the time spent producing the statement (minimum £123). Any costs incurred in valuing individual assets within the Self-Invested Fund will be deducted from the Self-Invested Fund.
<b>HMRC Valuations</b>	Required when benefits are taken or drawdown is reviewed. Charged to Self-Invested Fund as per Adhoc valuations above.
<b>Property transactions</b>	<p>Property Facility Fee: £123 each year per Self-Invested Fund per property.</p> <p>Additional Annual Fee for VAT Elected Properties: £186 each year.</p> <p>The £186 each year VAT election fee is per property, so if a group of investors share one property, the £186 relates to the property, not the member. Similarly, where a group of investors own a shared property, the solicitor's fees, etc, apply to the property so are split between the members.</p> <p>The fees for all other property related transactions, including the solicitor's fees, the surveyor's fees, insurance costs, our acquisition fee, our management fees etc, will vary depending on the costs incurred and the time spent on the transaction. Our fees include:</p> <p>Purchase/transfer in specie acquisition fee: from £923.</p> <p>Annual property accounting fee: £740.</p> <p>Annual property management fee: £863.</p> <p>Sale, or disposal, or transfer out in specie: £740.</p> <p>Variation of proportion of property ownership: £616.</p>

3. Our investment transaction fees relate to the auditing and recording of investment transactions by us and do not include dealing commissions or investment manager or nominee fees and charges which, where applicable, are payable in addition.
4. Paperless transactions are defined as those where the manager or fund platform reports details of transactions, monthly statements, cash statements and income reports to us electronically, in a form specified by us.
5. Quoted, paper-based transactions are those executed by an investment manager or fund platform where we receive paper contract notes and/or all the necessary electronic reports are not received.
6. Our property fees are calculated principally on a time: cost basis, reflecting time expended and the degree of responsibility involved.
7. The fees and charges of solicitors, surveyors, lenders and third party property managers (where appointed) together with all disbursements relating to the acquisition, sale or management of any property are payable from your Self-Invested Fund in addition to our fees and charges.
8. Widening your investment requirements:
  - You can change from investing in the FundSIPP option to the full SIPP option at any time.
  - If you wish to invest in the full SIPP option we will require written notification from you that this change is to be made.

## Additional notes

- The charges you will incur depend on your actual investment activity.
- We reserve the right to charge for additional services on a time: cost basis relevant to the expertise and seniority of our staff involved.
- In the event of any levy or taxation being imposed on the policy under any statutory provision affecting the business of insurance companies, we may recover from the Pru Flexible Retirement Plan including the Self-Invested Fund an amount equal to the proportion of such levy or taxation that we in our discretion deem to be attributable to the Pru Flexible Retirement Plan.
- All expenses, charges and outgoings whether in respect of the investments contained in your Self-Invested Fund (including the costs of purchase, sale, management, maintenance and valuation of freehold and leasehold properties, if any, and other investments) or other expenses however incurred shall be charged to your Self-Invested Fund.
- The important point you should note is that whilst self-investment offers more flexibility than a traditional insurance fund, charges can be higher, which has a larger impact on smaller funds.
- You may also hold investments in your Pru Flexible Retirement Plan which attract a Fund Size Discount and/or a Loyalty Discount. The Fund Size Discount and Loyalty Discount do not apply to Self-Invested Fund charges – Please see “Key Features of the Pru Flexible Retirement Plan (including SIPP)” for more information.
