Criteria for Acceptable Business

- You must have terms of business with Prudential International Assurance plc ("PIA") or with Prudential Distribution Limited and you must have the appropriate regulatory authorisation.
- If you are based in the EEA, you must be authorised as an Insurance Intermediary under the Insurance Distribution Directive ("IDD"*), as implemented in your home state.
- If you are based in the Channel Islands or The Isle of Man, you must be appropriately authorised to sell our life assurance products in those markets.

If your terms of business are with Prudential Distribution Limited and you intend to conduct business outside of the United Kingdom ("UK") or are with PIA and you wish to

expand the list of territories in your terms of business, you will need to complete PIA's country/territory permission application form specifying:

- from the list of PIA's active territories,
- the territories where you intend to provide services,
- confirming that you have the necessary regulatory authorisation,
- the required passport (under IDD),
- or qualify for an exemption from regulatory authorisation in these countries.

PIA will then issue you with a formal acceptance, which will clearly outline the products available for those countries and the acceptable sales conditions.

Please note:

We will take the Applicant's declared country of tax residence as their residence for any obligatory tax reporting/paying purposes.

For Trust/Trustee investments, PIA will take the country of tax residence of the Trust as the residency of the Trust for any obligatory tax reporting/paying purposes.

Applicants for the Spanish International Prudence Bond who are Nationals of a country whose primary official language is not English must sign a declaration in their native language to confirm they are aware that and agree to all policy documents and correspondence, in respect of the product, will be in English. They must then submit this declaration with their application. (For further information please speak to your Account Manager). Please note, the Spanish International Prudence Bond is not available to Spanish Nationals.

PIA's "Active" territories include the United Kingdom, Jersey, Guernsey, the Isle of Man, Malta, Gibraltar, Cyprus, Spain and France.
