

This is just for UK advisers – it's not for use with clients.

Track Record

International Prudence Bond

The Prudential Assurance Company Limited With-Profits Fund benefit from the investment strength of the M&G Group. Prudential has many years experience of managing multi-asset funds and a global investment operation that means investments can be widely diversified, which helps to spread the risks and enhance the potential for returns. The bonuses added to the funds are designed to reflect the investment returns and to ensure that investors receive a fair share of the profits, while smoothing the peaks and troughs of market movements. The charts on the next few pages show the success of our strategy over recent years.

Prudential With-Profits Fund

- Prudential International's Prudential Assurance Company Limited "With-Profits Range of Funds" are backed by assets in the With-Profits Fund of The Prudential Assurance Company Limited. The Prudential Assurance Company Limited With-Profits Fund is the largest With-Profits Fund in the UK and has a very strong regulatory solvency ratio. The size and strength of our Fund allows us to invest in a very wide range of assets and individual companies. The total level of assets backing the With-Profits business in the Fund was £119bn at 30 June 2024. Note: this figure includes the assets backing the former Scottish Amicable Life Assurance Society business.
- The M&G Group has been helping people plan for their future for over 165 years. Its size and experience puts it in a strong position to invest customer's money wisely for the medium to long term.

The value of any investment can go down as well as up so your customer might not get back the amount they put in.
