Over £13bn

in the property portfolio within the PruFund range of funds

The value of an investment can go down as well as up and your clients may get back less than they have paid in. Past performance is not a reliable indicator of future performance.

* Net return including the 0.65% annual management charge from 25 November 2004 to 31 March 2024. All other statistics shown are as at 31 December 2023, unless otherwise specified.

** Excludes the number of underlying fund managers for the PruFund Planet range of funds.
