

Expression of Wish form

How to fill out this form Please use black ink and CAPITAL LETTERS or tick ✓ as appropriate.

Any corrections must be initialled. Please do not use correction fluid as this will invalidate your application. The Prudential is the administrator of the Prudential Pension Scheme. Prudential will have discretion on the distribution of the death benefits. Prudential cannot be compelled to follow your wishes (because this could lead to inheritance tax liabilities). However, we want you to tell us the details of how you would want any death payments distributed, so your wishes are clear.

If the member is a child this form should be filled in and signed by the parent or guardian.

It is important that you update this form should your circumstances change.

Please note: This expression of wish form applies to your entire Retirement Account (both Pensions Savings and Pension Income Account).

Any nominated beneficiaries who are non-UK residents when death benefits become payable, will not be able to take drawdown payments. This is because to set up a new Retirement Account, the nominated beneficiaries need to be UK resident.
