

This is for UK advisers – feel free to show your clients.

Where's your money invested in the UK?

PruFund Growth, Risk Managed PruFunds

PruFund Growth and the Risk Managed PruFunds offer a wide level of investment diversification. And due to the size and scale of the funds, they can invest in areas other funds might not be able to, adding greater diversity to your investment. Many of these investments are based in the UK, so why not find out more about some of them by rolling over the icons on the map.

Infracapital – experienced specialists that have worked with more than 60 companies across Europe in investments across - Environmental, Transport, Communication, Energy transition and Social sectors.

M&G Real Estate – recognised as one of the world's leading property investors. A global real estate solutions provider with £36.9 billion* of assets under management in real estate equity.

M&G Catalyst mandate – a £5 billion investment mandate into privately-owned enterprises working to create a more sustainable world.

* as at 31 March 2024

Where's your money invested in the UK?

PruFund Cautious

PruFund Cautious offers a wide level of investment diversification. And due to the size and scale of the fund, it can invest in areas other funds might not be able to, adding greater diversity to your investment. Many of these investments are based in the UK, so why not find out more about some of them by rolling over the icons on the map.

The value of your investment can go down as well as up so you might not get back the amount you put in. Note that the companies or areas that the M&G Treasury and Investment Office (T&IO) choose to invest in could change in the future, and may be different to the companies shown as examples here. This information should not be taken as a recommendation to invest or advice.

pru.co.uk
