

M&G continues suspension of dealing in M&G Property Portfolio

LONDON, 16 March 2021: The Authorised Corporate Director (ACD) of the M&G Property Portfolio (“the Fund”) has decided, with the agreement of the Fund’s Depositary, it can best protect the interests of all of its investors by continuing the suspension in dealing in its shares.

We continue to balance the objective of raising cash levels with the need to protect the interests of all our investors, with a targeted sales programme also focused on preserving the portfolio’s integrity and long term prospects.

Since our last update, two assets were sold for a total of £97.7 million, taking the Fund’s current cash level to 25.3% of the £2 billion assets under management*. A total of £329 million of asset sales are under offer or have exchanged, with a number moving towards completion. There is no guarantee these deals will complete.

Whilst completion of all ongoing transactions cannot be certain, in anticipation of the Fund’s cash position increasing to a sufficient level, we expect to be able to announce the reopening before the end of the second quarter – once the Fund’s ACD and Depositary are satisfied we have a suitable liquidity position for investors who choose to remain and those who wish to redeem.

M&G will not charge fees on cash held in excess of 20% whilst the Fund is in suspension and it continues to waive 30% of the Fund’s annual charge in recognition of the inconvenience caused to our clients and customers.

Fund activity update

- Cumulative total of asset sales since suspension: £541.3 million

*Cash balance and assets of £2.06 billion under management as of 16 March 2021

-ENDS-
